

for lovers of...

Sit back and enjoy the 180-degree views of Prevelly Beach while your private chef whips up a gourmet delight in the kitchen.

## ROOM SERVICE

This stunning home, owned by local artist and surfer Ron Roozen and designed by prominent Sydney architect Dale Jones-Evans, has the features expected of a five-star resort including optional pantry services, an in-house masseuse, daily servicing and local tour-arranging. However, the latest addition to this magnificent home is perhaps

the most luxurious. Local Margaret River executive chef and co-owner of Jones Fine Foods, Andrea Ilot, offers guests at Ron Roozen's a private chef service. Now, you can sit back and enjoy the 180-degree views of Prevelly Beach while Andrea whips up her gourmet delights in the kitchen. By arrangement, Andrea's freshly shucked

oyster shooters with an exotic Asian twist can be found chilling in the fridge on arrival, and in the mornings, organic Jones Fine Foods breakfast baskets bulging with local produce are also available. Prices for Andrea's services can be discussed by calling 0407 079 004. Visit [ronroozen.com.au](http://ronroozen.com.au) for details on the home.
